8 This is a case for a supplementary grant of Rs 4,000/- to the Tumkur Municipal Budget, 1911-12

9 2 To effect certain sanitary improvements, the Tumkur Municipality was given in March 1905 a loan of Rs 10,000/- The loan was repayable in ten years with interest at 4 percent per annum

10 3 Since the loan was taken, the Municipal receipts improved by the levy of toll and the estimated closing balance on the 30th June 1912 was fixed at Rs 11,795/- The Municipality has been discharging the loan by an annual payment of Rs 1,000/- towards loan and Rs 233/- as interest By the end of 1911, the amount that had to be paid to Government stood at Rs 5,000/-

11 4 In offering to pay the balance of the loan, the Tumkur Municipality requested that the outstanding amount may be remitted by Government as a large amount of money was needed for the drainage and sanitary improvements of the town The Municipal Council also agreed to repay the balance of the loan at once to save the interest As financial condition of the Municipality was in good condition, the Government in their Order No 5/29/Ml 194-11

dated 17th February 1912 did not approve of the Municipal Council's request for remission of the balance of the loan but they saw no objection to the Municipal Council repaying at once the balance of the loan to save interest

5

12 5. The Tumkur Municipal Council has agreed to repay the balance of the loan amounting to Rs 5,000/- and the Council proposes to meet this payment out of the closing balance at the credit of the Municipality

13 6 A provision of Rs 1,000/- has already been made for the repayment of the loan in the budget of the Tumkur Municipality for 1911-12 and the additional grant required is only Rs 4,000/-

14 7 Both the Councillors agree that an additional grant of Rs 4,000/- may be sanctioned to repay the balance of the loan This may be sanctioned

Submitted. The additional grant is for repaying a loan due to Govt As the municipality has a large balance in its favor it can well afford to pay Rs 4000/- immediately without any inconvenience to its ordinary needs The balance left after the repayment of the loan will be Rs 7, 795 which exceeds the prescribed minimum working balance by Rs 3420 There is thus no financial objection to the proposal On the other hand the municipality will be saving the interest on the loan which can be made use of for other purposes
